Dear Jim:

I will try to get an interested student to work up the matters in your letter. Regarding what's in your P.S., I haven't been in contact with Lifton for a couple of years. The last time I saw him was when Bud and I visited him in Los Angeles. I certainly wouldn't give him any of the materials, and I haven't shown them to anyone else. Let me know if you want me to put them aside and not publish anything about them. I gather you have made some headway and will be having a hearing soon. When is it scheduled for?

Best wishes.

Yours very truly

Dick
